RE: CCHHE 3rd Gala Fundraising Dinner

Secretary General:

Dr. Paramjit S. Tappia

You may already be aware that the Caribbean Canada Heart Health Education (CCHHE) Inc. was founded to mobilize the Winnipeg Caribbean Community in the promotion of cardiovascular health in the Caribbean countries.

Secretary Education:

Dr. June M. James, D.M.

We cordially invite you to our 3rd Gala Fundraising Dinner to be held on February 17 2018, 6pm to 1am, at Canad Inns Destination Centre Polo Park, 1405 St. Matthews Ave., Winnipeg as we continue to assist the Caribbean countries in heart health information and practice. This year we are especially pleased as we were able to organize shipment of medical equipment/supplies (worth around \$1 million CDN) to Guyana through Hope International with St. Boniface Hospital and the International Academy of Cardiovascular Sciences.

Secretary Public Relations:

Markus Chambers

Secretary Hospitality:

Kenneth Somnath (Chum)

As before, we will have a world-renowned guest speaker that will talk on the prevention of cardiovascular disease. Please support our event by the purchase of enclosed 2 tickets for the dinner (single ticket, \$100 with \$40 tax receipt), however; we would be particularly delighted if you purchase a table on behalf of your organization (table of 8, cost of \$800). We will recognize your organization on stage. **Please make cheques payable to the International Academy of Cardiovascular Sciences and confirm your attendance by January 31 to either of the co-chairs.** We look forward to seeing you on February 17 at our 3rd Gala Fundraising Dinner.
